Motion for Extension of Time

The School Board of Miami-Dade County, Florida (the "School Board") hereby requests that the Commission grant it additional time to respond to comments filed in response to its Petition for Reconsideration of the Commission's Report and Order in the above captioned matter. The School Board respectfully requests that the Commission grant it an additional 10

days from the original due date of its replies. Currently, replies are due to the Commission on or before March 9, 2005. Therefore, our reply deadline would be extended to March 19, 2005.

The School Board requests additional time due to the unforeseen fact that our counsel has experienced a death in their immediate family and is unable to tend to these matters in a timely fashion.

We have contacted counsel for the parties who have filed Oppositions to our Petition for Reconsideration. We have been given consent to an extension by the BRS Rural Advocacy Group, Bell South, and the Wireless Communications Association.

Respectfully Submitted,

Daniel J. Margolis
Counsel for The School Board of
Miami-Dade County, Florida
